

Request For Proposal: **DEVELOP AND CUSTOMISE A CUSTOMER PORTAL**

IDCE hereby invites competent and reputable companies to submit proposals for the development and customisation of a customer portal.

The objective is to enable online loan and property applications for new customers, and provide self-service functionalities, enquiries, and complaints management for existing customers, integrating with IDCE's existing systems.

Access Request For Proposals Document (with full details, and more) using the link or QR Code Below.

For Terms of Reference, scan the QR Code to the left or visit:
