

Request For Proposal: DEVELOP AND CUSTOMISE A CUSTOMER PORTAL

IDCE hereby invites competent and reputable companies to submit proposals for the development and customisation of a customer portal.

The objective is to facilitate online loan and property applications for new customers, while providing existing customers with self service features i.e. enquiries and complaints management, integrating with IDCE's existing systems.

A non-refundable tender fee of R1,000.00 applies. Interested tenderers must deposit the amount to the company and include proof of payment with their submission.
